**EWR**

4a

This section illustrates the EWR (EnergyWise Roofing) process. It features a light blue background with the text 'EWR' in a white box. Below the text are illustrations of window profiles and various types of roof tiles. To the right, a QR code is shown above a smartphone displaying a mobile application interface. A large blue arrow labeled '4a' points to the right.

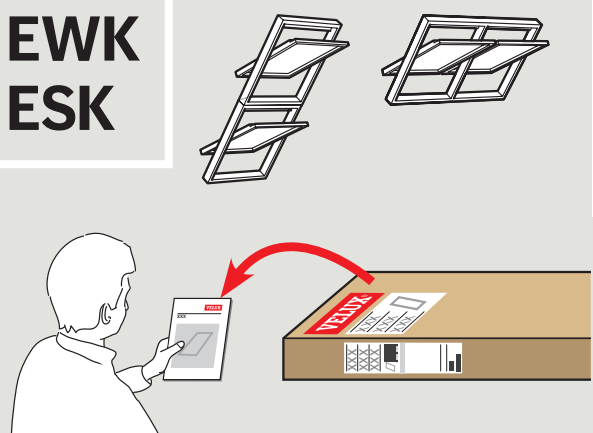

**ESR**

4b

This section illustrates the ESR (EnergyWise Roofing) process. It features a yellow background with the text 'ESR' in a white box. Below the text are illustrations of window profiles and roof tiles. To the right, a QR code is shown above a smartphone displaying a mobile application interface. A large yellow arrow labeled '4b' points to the right.

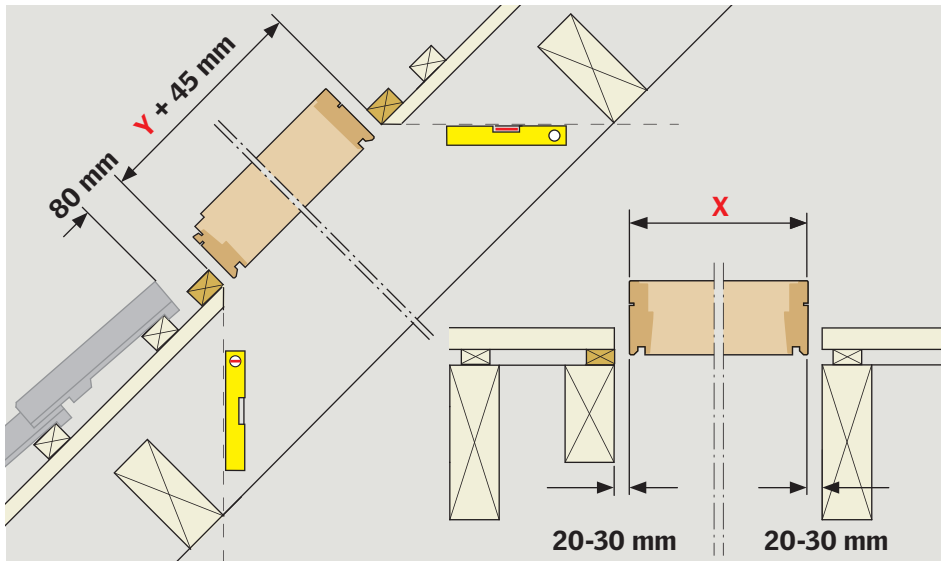

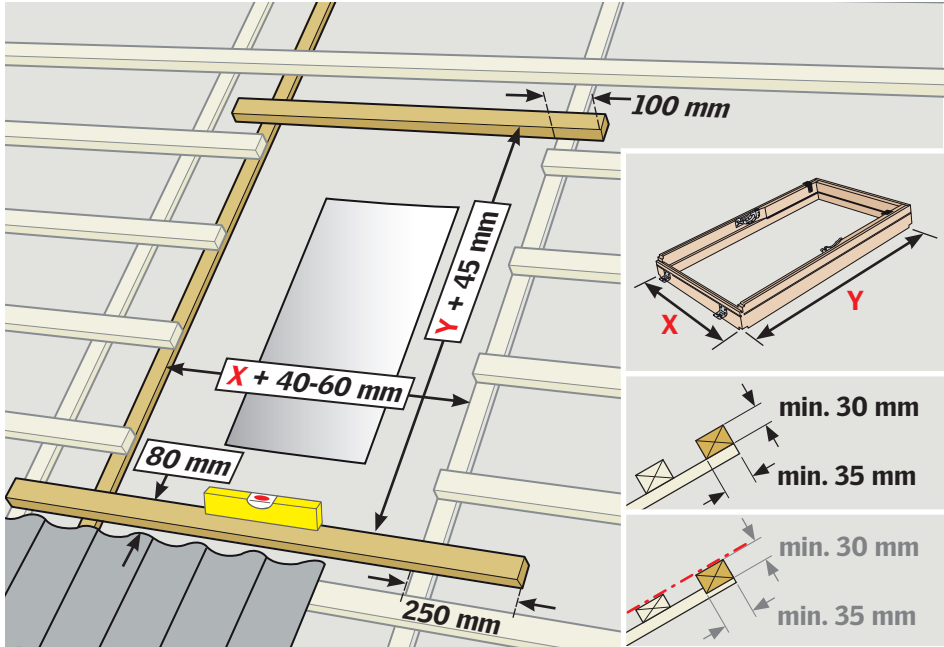

**EWK  
ESK**

This section illustrates the EWK (EnergyWise Windows) and ESK (EnergyWise Skylights) process. It features a grey background with the text 'EWK' and 'ESK' in a white box. Below the text are illustrations of window profiles. At the bottom, a person is shown using a tablet to scan a product box. A red arrow indicates the scanning action. The product box is labeled 'VELUX' and 'EnergyWise'.
